Greetings:

Due to the repeated outbreaks of COVID 19 since 2020 and with regard to the safety reason, the ANSSH has cancelled “ICANS 2021 in Taiwan”. This is the global concern, involving with travel, time-spent for quarantine and other circumstances, make it impossible for the ANSSH to hold the event.

We would like to thank for the support from Taiwan Government. However, as organizing parties, we are committed to do our part to protect our attendees and staffs. ANSSH and Taipei, the host city, hope all participants respect and understand this decision. ANSSH will continue to work in unity to support for the next ICANS in the future (possibly ICANS 2023 in Singapore).

Our sympathies at this time are with those affected from COVID 19 from all around the world. Further updates from the ANSSH, are on our website and can be found on www.ANSSH.org.
